MEDICARE

**EXCELLENCE,  
QUALITY, VALUE**

---

# MISSION

**At Eqova Medicare,** our mission is to redefine global healthcare standards by delivering pharmaceutical solutions of uncompromising quality and exceptional value, supported by world-class facility and services.

Rooted in India and built for the world, we aim to earn trust by providing healthcare that combines excellence with true value for patients and providers.

## VISION

Our vision is to be a global leader in healthcare, recognised for solutions that exceed expectations and offer unmatched value in quality and service.

By setting new benchmarks in reliability and innovation, we aspire to make Eqova a name synonymous with excellence, quality, and enduring value.

# MANAGEMENT & FOCUS

**“** I put my heart into everything I do. When you work with passion and care as if lives depend on it, real success and lasting relationships follow. **”**

**-Mr. Sanjay Jain**  
(Chairman)

With over four decades of experience in the pharmaceutical industry, **Mr. Sanjay Jain** has built a legacy grounded in quality, service, and foresight. From modest beginnings, he transformed Cyno Pharmaceuticals into a trusted name, merging India's strengths in affordability with an unyielding commitment to excellence.

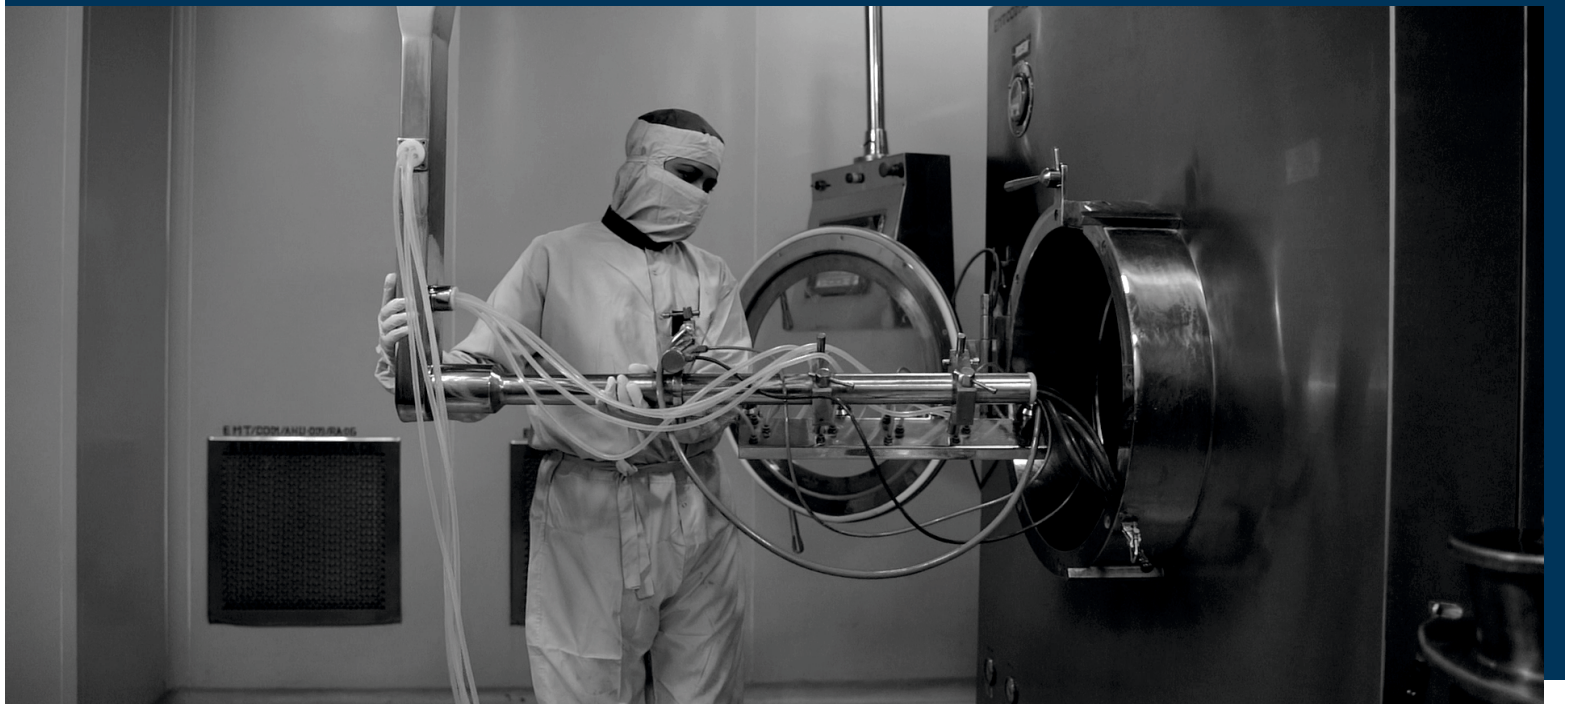

His intuitive approach and meticulous attention to detail, have resulted in globally recognised products and enduring client relationships. Through Cyno's success, Mr. Jain has demonstrated that true impact arises from a steadfast dedication to service and quality.

Now, with **Eqova Medicare**, he aims to elevate this legacy, providing world-class healthcare solutions across India and beyond, while maintaining the same trusted standards of quality and reliability that have defined his work.

# COMMITMENT TO GLOBAL EXCELLENCE

A testimony to our continued pursuit of quality and excellence, our facility is backed by various certifications and accreditations that highlight our expertise and trustworthiness.

# OUR SERVICES

Eqova Medicare through its rich expertise offers a variety of services.

Our key strengths are as follows:

## Finished Formulation

We craft finished formulations that meet the highest standards of quality and efficacy.

## Contract Manufacturing

We provide comprehensive contract manufacturing services, streamlining production with precision.

## New Product Development

We innovate and develop new pharmaceutical solutions to address evolving healthcare needs.

## Franchise Marketing

We offer high quality products, competitive pricing and strong promotional support

## Technology Transfer

We facilitate smooth technology transfers across therapeutic segments to advance global healthcare solutions.

With over four decades of combined experience in pharma, our reach extends beyond core services. Through our network and expertise, we support partners with documentation, dossiers, approvals, and consultation — offering a complete gateway into the pharmaceutical industry.

# FACILITY

- Located in the heart of North-East India
- 54000 sq. m of area

Eqova Medicare strategically located in the heart of North-East India, offers easy access to key markets within India and neighboring countries such as Bangladesh, Bhutan, and Myanmar enhancing our distribution capabilities across the region. Spanning in an expansive 54,000 square meters, this state-of-the-art facility is built to meet international quality standards and features a modern quality control laboratory to ensure every detail is meticulously managed, reflecting our dedication to deliver pharmaceutical solutions that prioritize excellence, quality, and value.

With the capacity to produce over one billion tablets and 210 million capsules annually, our facility includes multiple granulation and compression areas, complemented by advanced packaging options such as Alu-Alu, Blister & Strips packing. Our commitment to excellence goes beyond just production; with controlled environmental conditions and advanced stability chambers, we ensure that the integrity of our products is never compromised

- 1 Billion+ annual capacity for Tablets
- 210+ Million annual capacity for Capsules

- Built to comply with all International Standards
- Equipped with uninterrupted power supply and backup generators
- QC lab with LIMS for data precision
- Monitored for dosage accuracy and integrity

- Advanced ERP System for resource planning
- Advanced stability study facility with three stability chambers
- Controlled environmental conditions
- Proposed LVP and SVP Sections

- Three granulation areas
- Four compression areas

# PHILANTHROPY

At Eqova Medicare, we believe in the power of giving back to the community and making a difference to the lives of those in need. Eqova is deeply committed to various social causes that foster health, education, and welfare.

Here are some of the organisations we actively support:

## BALAJI NIROG DHAM

This organisation is dedicated to promoting holistic healthcare through traditional Indian medicine, striving to enhance the quality of life for individuals and communities. With a focus on wellness and preventive care, Balaji Nirog Dham works tirelessly to provide accessible health solutions to underserved populations.

## MAHARAJA AGRASEN HOSPITAL

A leading healthcare institution, Maharaja Agrasen Hospital is committed to delivering high-quality medical services and improving health outcomes in the community. Through its state-of-the-art facilities and dedicated staff, the hospital aims to provide comprehensive healthcare and contribute to medical advancements.

## APNA GHAR ASHRAM, BHARATPUR

Apna Ghar Ashram plays a crucial role in supporting the underprivileged by providing shelter, food, and education to those in need. The organisation works to empower individuals, ensuring they have the resources and opportunities to build a better future for themselves and their families.

## EKAL VIDYALAYA FOUNDATION

As one of the largest grassroots non-government education movements in India, the Ekal Vidyalaya Foundation supports over 80,000+ schools in rural areas. Its mission is to promote social and economic development through education, bridging the gap between urban and rural communities. Our CEO Mr. Sanjay Jain serves as the President of the East Delhi Chapter, advocating for quality education and opportunities for every child.
